Re: David P. Tarino v. Los Angeles Airport Marriott Hotel

Docket No: 07 CV 5505 (JAG) (MCA)

Case No.: 2:07 - CV - 5505

December 28, 2007

Dear Your Honor:

Marriott has requested to move this case to Southern California; I am requesting the court to keep this case in New Jersey. Where I am a resident. Marriott, in its motion, concerns itself with convenience of witness. I am a Pro Se Plaintiff, and I have not completed my witness list yet. But the vast majority of those I will seek will be from all over the United States, mostly from the corporate offices of Marriott located in the Washington D.C. area. As well as, all parties who constructed their safety and security policy and procedures. My expert witnesses will be from the NY/NJ metro area. I anticipate that less than 20% of my witnesses will be from California.

Because of Marriott's actions, as set forth in the complaint, I am no longer safe, or feel secure in Southern California. The now convicted felon has publicly claimed to be a member of some L.A. street Gang. My life has been jeopardized enough. Please don't send me back to California to relive this Nightmare and expose me to this criminal and his gang members. Changing venue operates as a Marriott attempt to dissuade me from pursuing this action. The damages, which I will prove, to me, my sense of Well being, my security, my identity, are here in New Jersey where Marriott without authorization Disclosed my personal information. One of My intentions is to prove that Marriott is not a safe hotel operator, their problem is nationwide. The damages that Marriott set into action continue to occur to the present here in New Jersey.
Thank You.

Respectfully Submitted,

David P. Tarino
